| 26 | 27 NO SCHOOL District Pro-D Day | 28 Library Book Exchange/Gym | 29 | 30 | | THEMES -Spring -Soil, Worms, Seeds -Technology and Money |

We are working on a big iPad project as part of our **Collaborative Inquiry Proposal** in partnership with the VSB (**How can we use technology such as iPads to enhance, motivate and improve students' writing?**) with our Grade 4/5 buddies this term (March-June)! Our theme is Positive Problem Solving. The students are working together in pairs and small groups to create their own Keynote presentations. Ask your child about it!!
